Re: *Nicholas Scarangella v. Group Health Inc., et al.*  
Civ. Act. No. 05 Civ. 5298(RJS)(RLE)  
File No.: 03188-132541

Dear Judge Sullivan:

This office represents the defendant Group Health Inc. ("GHI") in the above-reference action. We respectfully request a one-week extension of the time for GHI to file its supplemental response to defendant Village Fuel's request for attorney's fees. The extension of the briefing schedule would change the current schedule as follows:

Description	Current Date	Proposed Date
<i>Last day for GHI to file its supplemental responsive brief</i>	February 7, 2014	February 14, 2014
<i>Last day for Village Fuel to file its supplemental reply brief</i>	February 21, 2014	February 28, 2014

Village Fuel consents to the extension of time. This is the first request that GHI has made for an extension of time on the briefing schedule. The reason for the request is that I had the flu last week and missed nearly four days of work and the recent snow storms have also hampered the ability to prepare a response. The Court has granted two extensions for Village Fuel previously. (Doc. Nos. 157 158).

Thank you for your attention to this request.

Respectfully submitted,
